Question 3
How do we get to know whether our new email ID with CSRBOX mentioned in it is updated or not?

Answer 3:

When you receive a new mail or invite from us, you will receive it on your new updated email.

In case you are getting update on your old email,

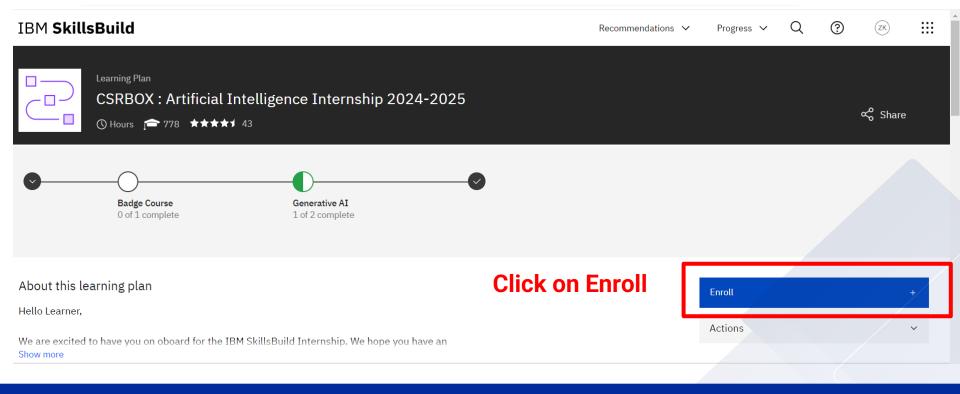

You can message us just by writing

Old email: xyz@gmail.com
New email: abc@gmail.com

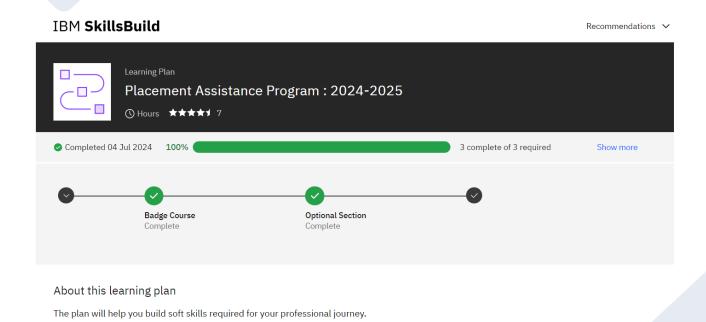

We will update it, in case it was missed.

Question 4 What is this Learning Plan and How to do it?

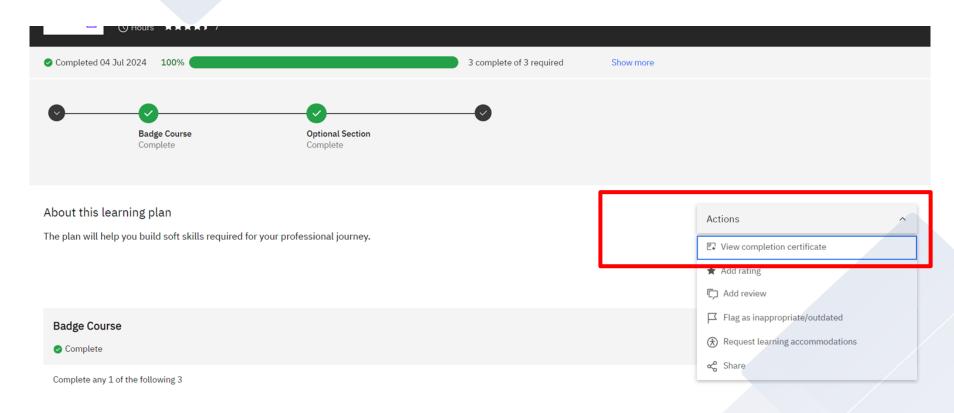

Artificial Intelligence Learning Plan 1 (Mandatory)

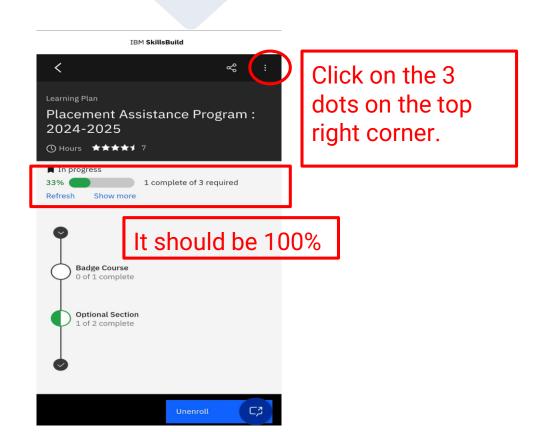

Placement Assistance Learning Plan 2 (Mandatory)

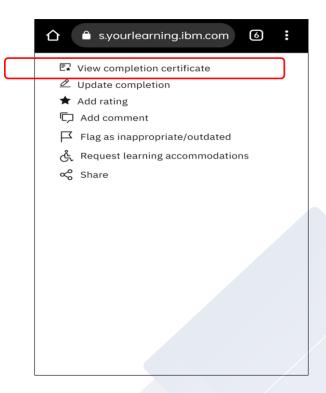

How to get the Certificate after Completion? (Laptop)

How to get the **Certificate** after **Completion?** (Mobile)

Question 5 How to submit the Learning Plan and who need to Submit?

Answer 5:

We have shared a link with you to submit the Learning Plan and you can submit the Learning plan certificate (Both) by 28th July 2024.

Make sure all the team member submit their learning plan certificate using the new and updated email ID.

Submission Link

Question 6 How to submit the Resume and LinkedIn Account Link?

Answer 6:

You will see an option of Submit Resume and share LinkedIn Link in your Learning Plan certificate submission form so you need to submit Learning Plan certificate + Resume + LinkedIn link in the same form.

Question 7 What is the Concept Note and How to do it?

Answer 7:

A Concept Note is a brief document outlining the main ideas and objectives of a project. It serves as a preliminary proposal to communicate the key aspects of the project to potential stakeholders, funders, or collaborators.

Sample Concept Note Link

Question 8 How and When do we have to Submit the Concept Note?

Answer 8:

You need to submit only one concept note on behalf of the team and you can start submitting the concept note from 1st August 2024 and the last date to submit it is 3rd August 2024.

Question 9 What is the topic of the Project?

Answer 9:

Design a solution to a problem aligned with one or more of the United Nations Sustainable Development Goals (SDGs) using available data from the internet.

Follow these steps to complete your project: Link
